

REMARKS

New main claim 30 recites the data output port 103 at the window 96 for downloading the electrical signal indicative of the indicia and stored in memory 100 (see Fig. 2). The prior art does not disclose or suggest the data output port feature. Withdrawal of the obviousness rejection is respectfully requested.

Enclosed is a Terminal Disclaimer over U.S. Patent No. 6,119,944 to obviate the double patenting rejection, together with the Rule 20(d) fee of \$110.00.

Allowance of claims 30-34 is respectfully requested.

Wherefore, a favorable action is earnestly solicited.

Respectfully submitted,

KIRSCHSTEIN, OTTINGER, ISRAEL & SCHIFFMILLER, P.C.
